WELCOME BACK!

Kim & Sebastian. Kim is working in Edmond again this summer before going back to Stillwater in the fall to continue vet school.

Lauren & Bugsy. Lauren graduated from OSU and is now in dental school here in the city. Bugsy will be staying with us for a few years.

We missed you and are glad to have you back.

It is better to get wisdom than gold, and to choose understanding rather than silver! Proverbs 16:16

Remember to *Drive 10 mph* on our road...**PLEASE!**

CRUSH is our newest lesson horse. He is a 3 year old thoroughbred who is on pasture rest for a few months and then will begin his training. We will all look forward to riding him next year. In the meantime you can groom him and give him treats! (Check out the 'heart' under his mane!)

With all our new boarders & riders you can help by:

1. Cleaning out your tack cabinet & taking home unnecessary items.
2. Making sure you clean out the crossies & washrack when you are done.
3. Turning off the lights and the air conditioning if you are the last person out of the barn.
4. Putting all tack back in its place & covering saddles when you put them up.
5. DRIVING 10 MPH ON THE ROAD!
6. Giving 24 hour notice to cancel a lesson so someone else can ride in that slot.
7. Being positive, kind, courteous & helpful to others in the barn.
8. Treating our horses with love & respect...make this 'heaven on earth' for them!

Christina's Cell Phone Rules for Riders....

You are welcome to bring your phones, but leave them in the tack room. It is dangerous to be talking or text messaging while grooming, tacking & riding.
