Showing in Norman

April 4

**Check out the  
website for their  
great placings.**

Congratulations to Jeni Penland on her very first horse show. Jeni has been riding since she was 12 years old with Christina and has always dreamed of showing but just never did. She rode Encore and they had a fabulous show. They were in 14 classes and ended up with 6 blue ribbons. More important than ribbons though, is the fun, the partnership you form with your horse and your friends, and all the things you learn. Remember that Valentine Ranch always focuses first on the overall horse show experience, not the winning. Good Job Jeni & Encore!

**With warm weather approaching make sure to:**

- ✿ *Bring your water bottles with you. You must stay hydrated to avoid heat exhaustion*
- ✿ *Cool down your horse completely and hose off if needed (clean up the wash rack afterwards)*
