We had an awesome turnout for the sleepover. All ages attended and everyone had fun. There were many boxes of pizza along with plenty of sodas and snacks. Joel sang and played guitar while we ate. The kids played badminton, board games & Horse Jeopardy. We even involved our equine friends when each person was asked to identify 4 different horses blindfolded (that's actually much harder than you would think!) Hysterics were reached when we sent teams of 2 around a trail course (one blindfolded & one giving directions) There's even a video of Christina doing it, in record time of course. We watched horse movies as the morning drew near. If you couldn't make it, we missed you. Those who participated, thanks for helping make Valentine Ranch fun in every way!
